

## Chapter of the Year Scoring Sheet

Region	<input type="text"/>
District	<input type="text"/>
Chapter	<input type="text"/>

### Suggested Guidelines

Each District & Region should appoint a CHOY Coordinator to monitor the chapter activities and assist the Chapters with the program.

It is suggested the A.D.D.'s use this Scoring Sheet to record the point values of each category and submit to the District CHOY.

At the end of the year, it is suggested each District select their CHOY and recognize their accomplishments openly. It is also suggested that each District recognize at least the TOP TEN chapters for the District.

Each District will submit their winning chapter to the Region Director for final grading and selection.
